

# SAS Distribution Agreement - July 1, 2017- June 30, 2018

## Division of Agriculture, University of Arkansas, Fayetteville

### 1.0 Overview

It is the policy of the University of Arkansas to honor copyright and license agreements entered into with vendors for software. Therefore, before an employee receives a copy of software from the University, that employee must agree to abide by the limitations included in the copyright and license agreements. Acceptance of any product for use constitutes acceptance of the restrictions on the product.

### 2.0 Software License Agreement

Please read the following software license agreement. If you have any questions regarding the software site license agreement, please contact University IT Services Help Desk.

- You agree NOT to redistribute software to unauthorized users and will remove your copy upon leaving the University or be subject to disciplinary or legal action by University of Arkansas, Fayetteville.
- You agree to use the software only for purposes of classroom instruction, academic research, and/or course work within any school, academic department, or research office at the University of Arkansas, Fayetteville.
- You agree that the software CANNOT be used for purposes, other than teaching and research, including, but not limited to the following:
  1. Commercial purposes;
  2. Personal financial gain;
  3. Classroom instruction, academic research, or course work anywhere other than a school, academic department, or research office within the University of Arkansas, Fayetteville.

### 3.0 Registration
